Spring Recruitment:

What are Winding Trails Units Up To:

Do you want to tell other units in the district of what your unit are doing? Why not. Did one of your Dens go on a cool field trip? What was the speed record for your Pinewood Derby Track this year? Do you have a picture of a cool Pinewood Derby Car? Did you march in a parade? Did you go to a Big Truck rally? Do you have pictures of an event? Do you have a cool picture from a Scouting Event? Do you have a Scout that just passed his Eagle Board of Review? Did you have a great community service project that your unit did or an Eagle Scout Project? Do you have pictures of Scouting For Food? How many pick up trucks did your unit fill?

If you have anything we want to hear about it and promote it for your unit. This second page of the Monday Minute is devoted to the units of the Winding Trails District to tell their story to the rest of the units in the District and show how just active our units are. The articles will be submitted by the units. I challenge the units to make sure that it is filled on a weekly basis. Make sure that you send all submissions to clark.garthwait@yahoo.com.
