## Internet Advancement

[http://www.boyscoutsla.org/website/Internet\\_Advancement/](http://www.boyscoutsla.org/website/Internet_Advancement/)

- Directly filters into your JTE scores
- Helps achieve goals by directly reporting into Council system

### Suggested Reporting

- Monthly, but at least quarterly
- After every board of review (Boy Scouts)
- Before the end of the current charter year
- Before JTE reporting
- More often for larger units

### Advantages of Internet Advancement

- Reduces or eliminates Scouts' record gaps
- Records ranks, badges, and awards
- Can be done at your convenience
- Will accept records from PackMaster, TroopMaster, and ScoutSoft for ranks and some badges and awards
  - See software help file for info on exporting records
- Enforces most BSA advancement rules
- Eliminates illegible handwriting and use of nicknames
- Allows advancement date corrections
- Provides simple and intuitive interface
- Offers useful reports

### Available Reports

- Review Unit Roster
- Unit Advancement Summary
- Member Summary
- Review Advancement Report
- View Previous Advancement Reports
- Print Membership Cards
- Unit Order From

### What It Won't Do

- Won't record non-advancement data such as meeting or activity attendance
- Won't record Eagle rank information
- Won't record lifesaving and meritorious awards
- Won't record religious awards
